

EMISSION CLASSIFICATION OF BUILDING MATERIALS

VOLMA-Marketing, LLC

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

Gypsum plasterboard, type A
Gypsum plasterboard, type H2
Gypsum plasterboard, type DF
Gypsum plasterboard, type DFH2
Gypsum plasterboard, type DIR

as belonging to emission class M1 for building materials.

The classification is valid until 15.12.2019.

VOLMA-Marketing, LLC has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
